

Business Ready Security

Paul Roy Owino – Microsoft

Paul.roy@microsoft.com

Business Challenges

Threats

Increased volume

Greater sophistication

Profit motivated

Business Landscape

- Increased regulatory and compliance pressure
- More connectivity and collaboration
- Greater need for identity-based protection *and* access
- Greater IT choice; lower budgets

Current Solutions

Product proliferation

Lack of integration

High cost of ownership

Security not aligned to business needs and new opportunities

Business Ready Security

Help securely enable business by managing risk and empowering people

Protect everywhere,
access anywhere

Integrate and extend
security across
the enterprise

Simplify the security experience,
manage compliance
